

The bumblebees buzz on by, collecting pollen from the flowers.

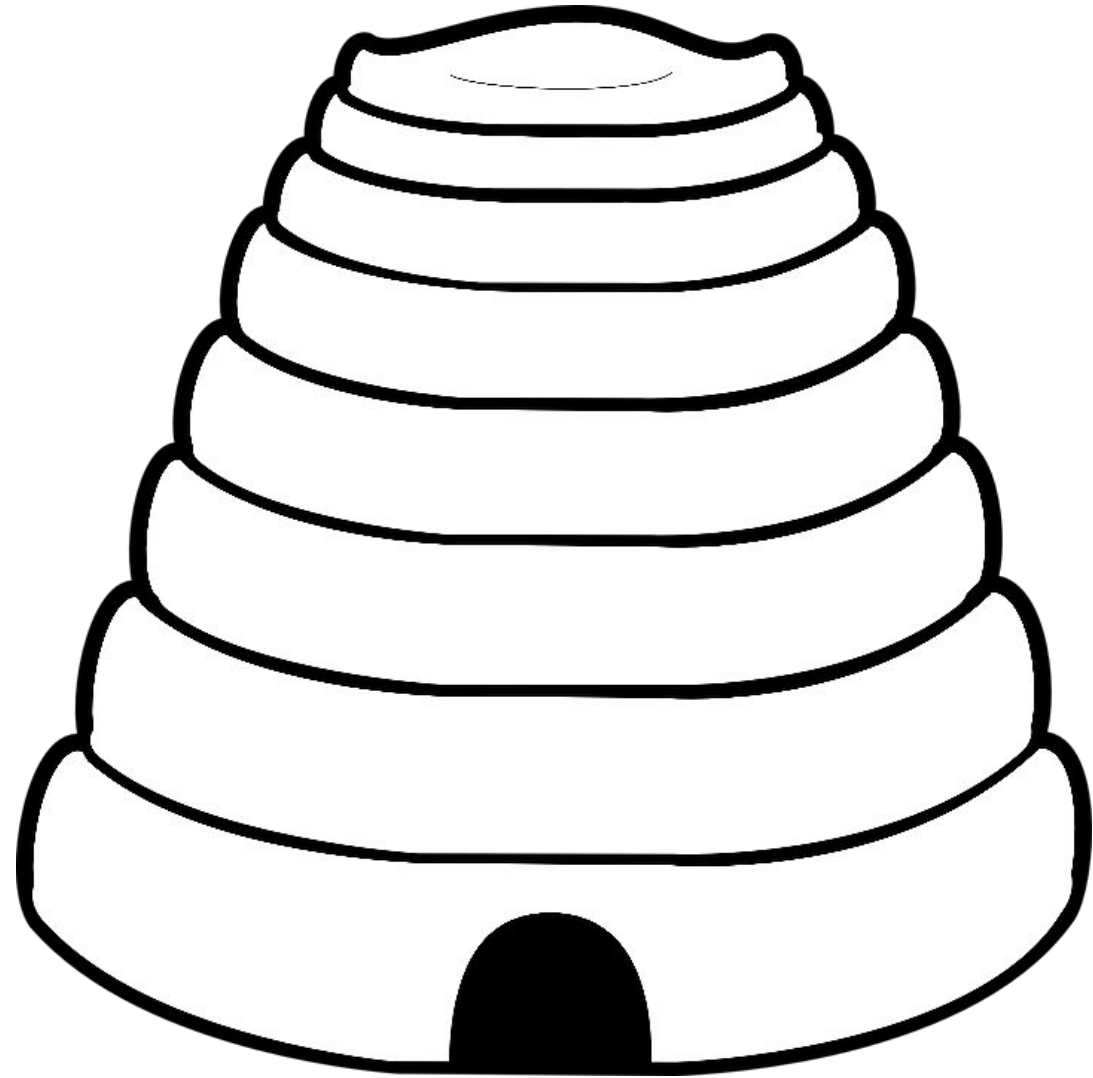

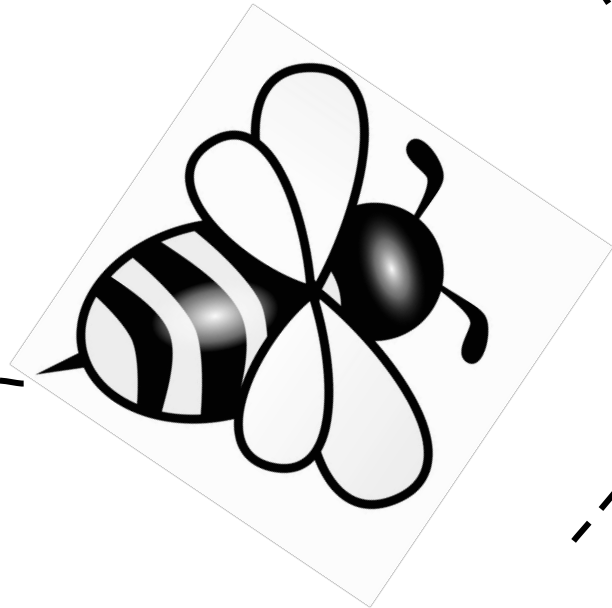

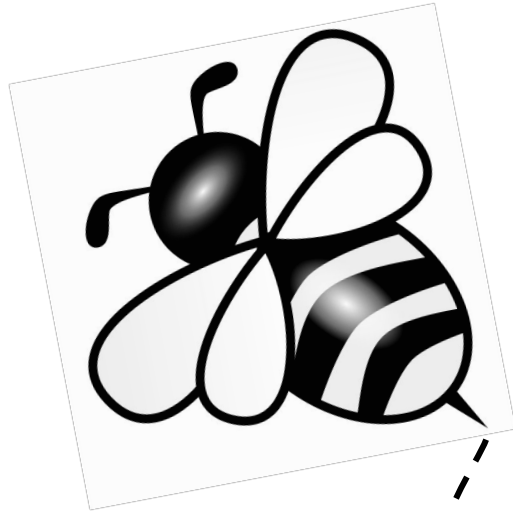

B is for Bug. Cut out the bugs and glue onto the letter B.

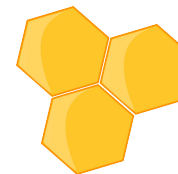

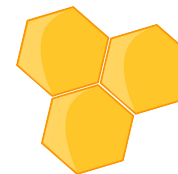

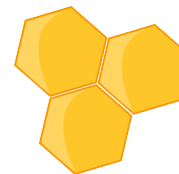

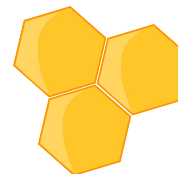

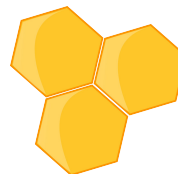

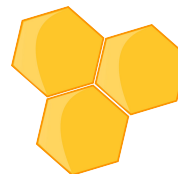

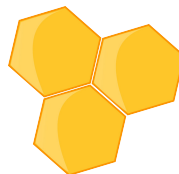

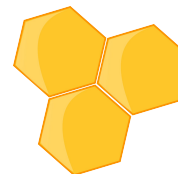

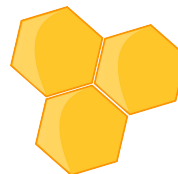

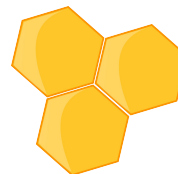

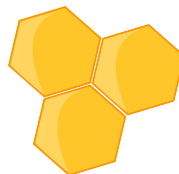

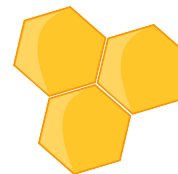

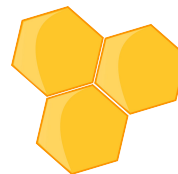

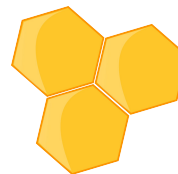

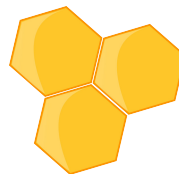

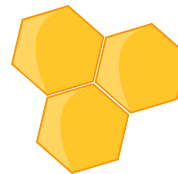

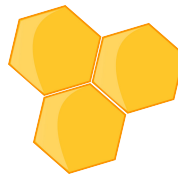

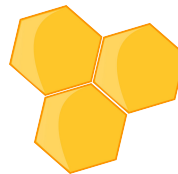

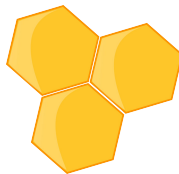

The bees are happily making honey inside their hives.

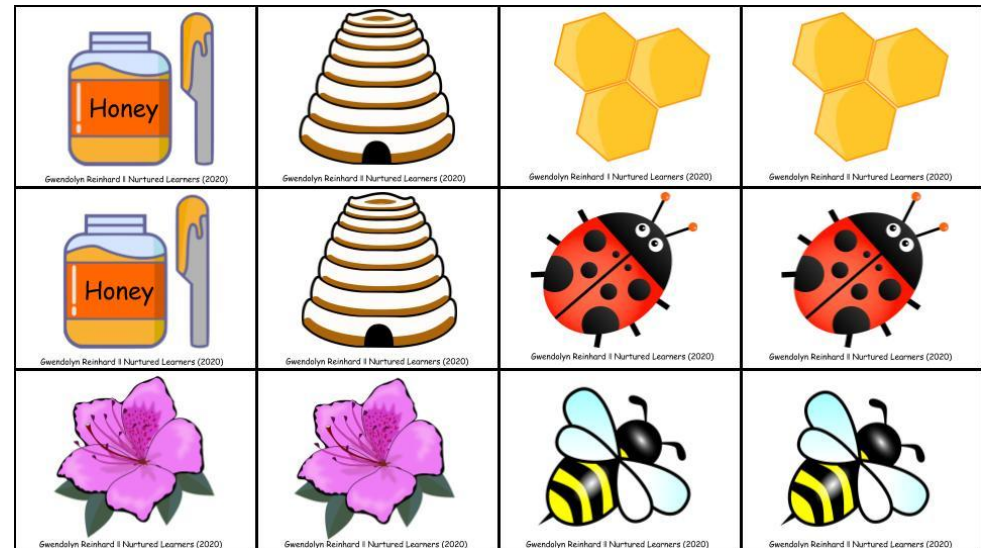

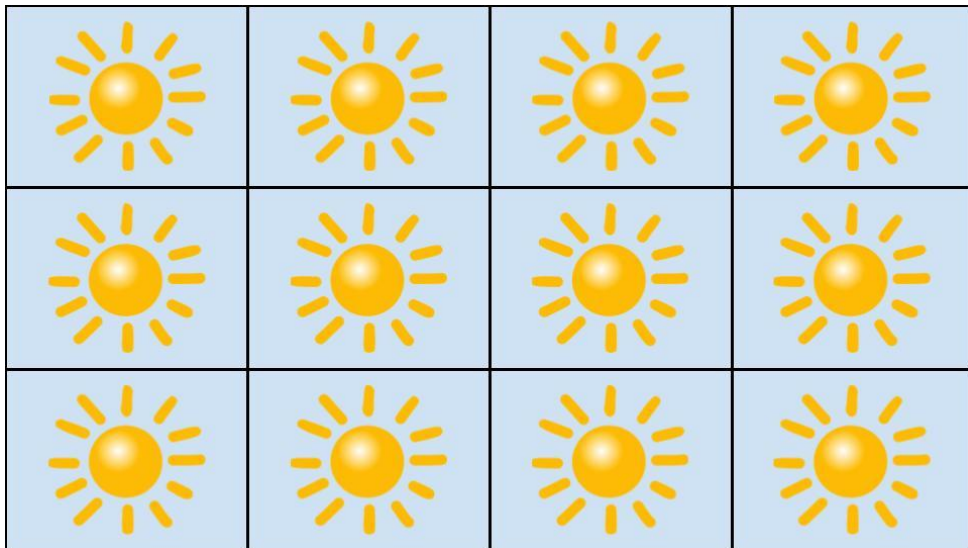

H is for Honeycomb.
Cut out the honeycombs and
glue onto the letter H.

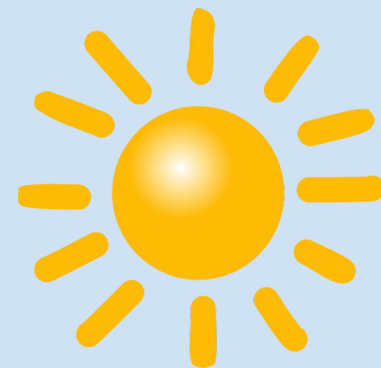

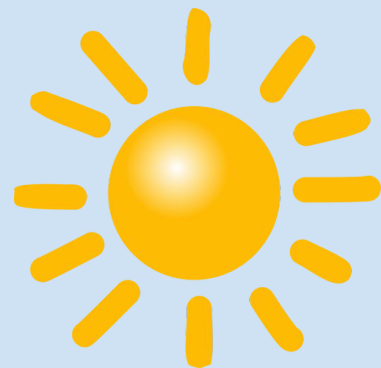

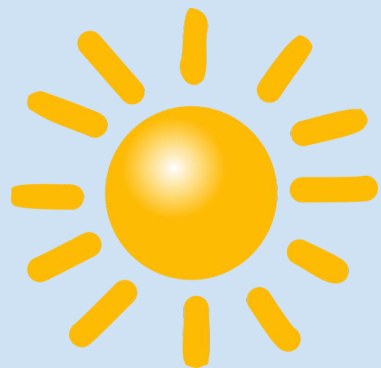

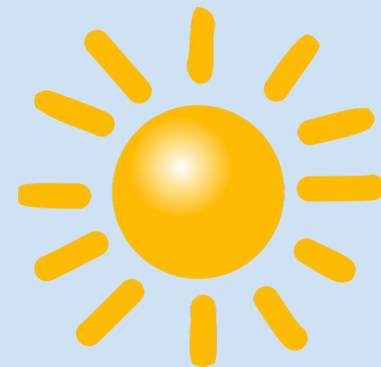

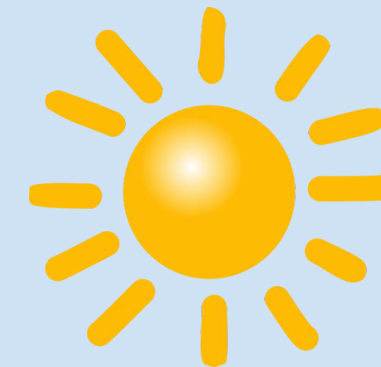

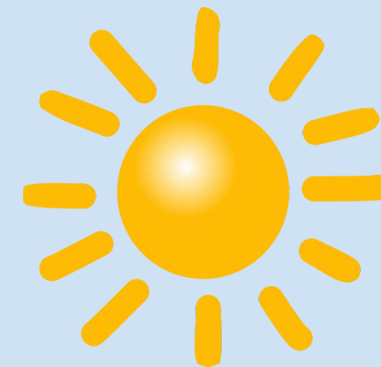

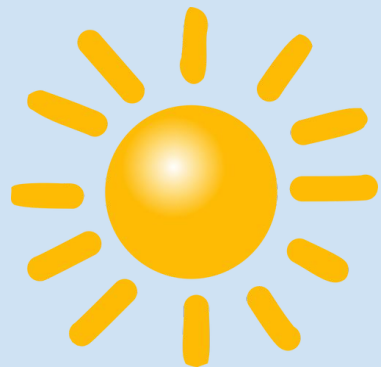

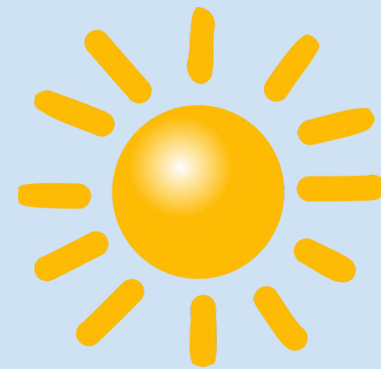

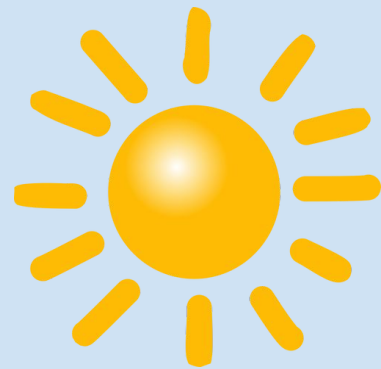

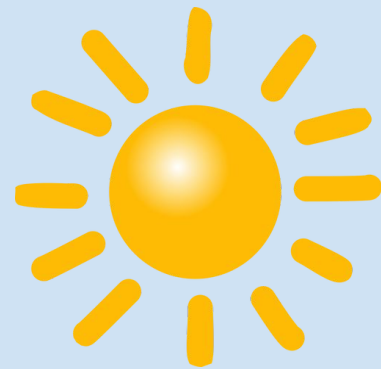

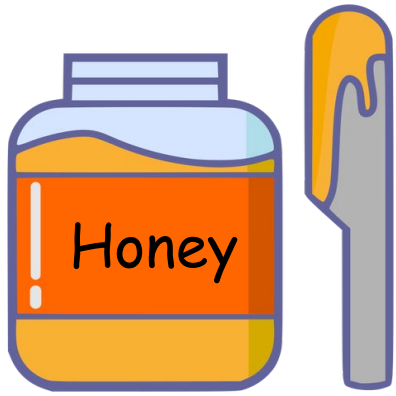

Springtime Matching Game - Bees, Bugs & Honey

Directions:

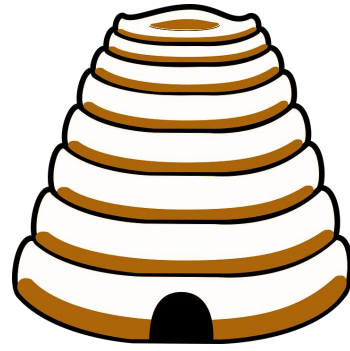

1. Print out the next two pages back-to-back. I suggest printing on white cardstock for durability. *Optional: Laminate the cards for lots of matching game fun!*
2. Cut out the cards.
3. Shuffle all of the cards. Turn each card over so you see the sun.
4. Take turns flipping over the cards to find each match.
